

# OAXACA - Supporting Children After the Earthquake

The children are the focus of earthquake relief by Neighbors Abroad of Palo Alto. Join with us in donating to the recovery of a children's center and orphanage in the part of Oaxaca most devastated by the September 7th 8.1 magnitude earthquake. Funding supports food, psychological support and ultimately rebuilding.

Neighbors Abroad is a 501(c)(3) nonprofit and the City of Palo Alto's official sister city program. We are working with our sister city committee in Oaxaca to assure that all donated monies have positive impact.
